## STANDARD CONDITIONS OF PERMIT

1. All quarantine commodities shall be shipped in sturdy, escape-proof containers and a copy of this permit shall accompany each shipment.
2. Each shipment of plants brought into California under this permit shall have legibly marked upon it in a conspicuous manner and place all of the following:
  - a. The name and address of the shipper or owner.
  - b. The name of the person to whom the shipment is forwarded or shipped.
  - c. The name of the state, county or territory where the plants were grown.
  - d. A statement of contents.
3. Arrival of each shipment shall be immediately reported to the office of the County Agricultural Commissioner and, if requested by the Commissioner or his/her representative, held for inspection prior to use (telephone \_\_\_\_\_). If any live serious plant pest is detected, the shipment shall be disposed of in accordance with Sections 6461-6465 or 6521-6524 of the Food and Agricultural Code of California.
4. All packing material and shipping containers shall be sterilized or destroyed immediately after removing the commodities.
5. Except for commodities, or fruits produced from plant commodities, which will be disposed of by sale, no commodities kept under this permit shall be removed from the confined, designated area except by prior approval from Permits and Regulations, Department of Food and Agriculture.
6. Without prior notice and during regular business hours, State and county agricultural regulatory officials shall be allowed to inspect the conditions under which the commodities are kept and used.
7. All necessary precautions must be taken to prevent escape of pests, which may be carried on or by the commodities. In the event of pest escape, this office shall be immediately notified (telephone: 916/654-1017).
8. Except for plant commodities whose intended use is field planting and fruits produced from plant commodities for sale, commodities kept under this permit shall be destroyed at the completion of the intended use, and not later than the expiration date, unless an extension is granted by this issuing office. Written request for an extension of the expiration date should be submitted at least 30 days in advance of the expiration date.

The Department of Food and Agriculture has established time periods for the processing of permit applications, in compliance with Government Code Sections 15347-15378. Failure to comply with these time periods may be appealed to the Secretary of Food and Agriculture, 1220 N Street, Sacramento, California 95814, pursuant to regulations set forth in Title 3, California Code of Regulations, Section 301. Under certain circumstances, the Secretary may order that the applicant receive a reimbursement of filing fees.
