- The Procurement price is only for dried and processed seeds with required Minimum Seed Certification Standards after test.
- The sale price includes cost of unit packing material and tag.
- The crop and variety name may be printed in bilingual language in kitchen garden packets.
- All the centres are requested to adhere strictly the approved procurement and sale price without any deviation until further revision.
- Revising the sale price by the individual centres without the approval of the Director, Seed Centre is not permitted.
- Proposal regarding the revision of procurement and sale price and addition of crop if any, for fixing the procurement and sale price may be sent to the undersigned for getting approval from the Seed procurement and sale price fixation committee once in six months.

  
 Director  
 Seed Centre  
 29/19

To  
 All the Heads of seed production centres of TNAU for adoption.  
 All the University officers of TNAU for favour of kind information.

## ANNEXURE - I

Paddy varieties grouped under the three categories
