## **PREFACE**

Tamil Nadu is one of the leading progressive States in agriculture in the country. In the State, modern technologies are being promoted for increasing productivity of the crop. The State is taking all possible action to increase farmers income. At the same time, to avoid environmental degradation due to agriculture practices, environment friendly new technologies are being promoted among the farmers.

Due to progressive policies of the Government, the State has received the coveted Krishi Karman Award for increasing the food grain production, twice in last three years. This Government committed to welfare of farmers has brought out the Citizen Charter 2015-16. This provides clear and progressive information of the various schemes of agriculture department to be implemented in the current year. It includes the details of subsidy, eligibility criteria and contact officials for availing benefits under the Government schemes. This Citizen Charter will surely guide farmers by providing timely information for taking up agricultural activities and availing Government assistance.

### 3. AGRICULTURAL ENGINEERING SCHEMES UNDER AGRICULTURAL ENGINEERING DEPARTMENT

<b>SCHEME NO.1</b>	
Name of Scheme	<b>Agricultural Mechanisation Programme under National Agriculture Development Programme</b>
Funding Pattern	State Plan Scheme
Project Area	All Districts (Except Chennai )
Objectives	To achieve 4% annual growth in the agriculture sector during XII Plan period by ensuring a holistic development of Agriculture and allied sectors.
Details of Works	Agricultural Mechanisation: Providing subsidy assistance to farmers for the purchase of Agricultural Machinery/ implements such as Power tiller, Self propelled Rice Transplanter, Self propelled machinery, Multi crop thresher, Reaper, Post hole Digger, Seed Drill / Planters, Groundnut pod Stripper, Chaff cutter, Sugarcane trash shredder, Baler, Brush Cutter ,Tractor and Power tiller driven equipments, Sprayers and Manually operated tools including gender friendly equipments etc.
Benefits offered (Subsidy)	<ul style="list-style-type: none"> <li>• Providing subsidy assistance to farmers for the purchase of Agricultural Machinery / implements with 40% subsidy or the eligible subsidy prescribed by the Government whichever is less for other beneficiary farmers and 50% subsidy or the eligible subsidy prescribed by the Government, whichever is less for farmers under Scheduled Caste, Scheduled Tribe, Small, Marginal, Women farmers. (Enclosed in the Annxure below)</li> <li>• Farmers can select any make and model of agricultural machinery and implements according to their choice from the agricultural machinery manufacturing firms approved and empanelled by the Agricultural Engineering Department.</li> </ul>
Eligibility	All Farmers
Time-limit for Implementation	Programme will be completed within the financial year.
Officer to be approached	Assistant Executive Engineer, AED in the Revenue Division Executive Engineer, AED in the District. Superintending Engineer, AED in the Region. Chief Engineer, Agricultural Engineering Department, Nandanam, Chennai-35. Phone 2435 2686, 2435 2622

<b>SCHEME NO.3</b>	
Name of Scheme	<b>Provision of Solar PV Pumping System with automatic tracking facility Under NADP</b>
Funding Pattern	50:30 (50 % under NADP and 30% under MNRE)
Project Area	All districts in Tamil Nadu except Chennai
Objectives	<ul style="list-style-type: none"> <li>• To ensure energy security to the farmers to meet the irrigation needs</li> <li>• Pollution free, less maintenance, no recurring cost system to the farmers</li> <li>• To conserve water by linking the pumping system with appropriate Micro irrigation system for irrigation.</li> </ul>
Details of Works	Provision of Solar PV Pumping System with automatic tracking facility to the individual farmer's field for irrigation using micro irrigation system
Benefits offered (Subsidy)	<ul style="list-style-type: none"> <li>• <u>80% subsidy assistance for the Solar PV pumping system is provided for all farmers (50% from NADP and 30% from MNRE).The remaining 20% is farmer's contribution.</u></li> <li>• <u>The Micro irrigation systems will be provided under the on- going Micro irrigation programme implemented as per the NMSA guidelines, with the prevailing subsidy assistance of 100% for small and marginal farmers (upto 5 acres) and 75% subsidy for other farmers.</u></li> </ul>
Eligibility	All the farmers whose lands are provided with good source of irrigation like bore well or open well or sump.
Time-limit for Implementation	Works will be completed within the financial year.
Officer to be approached	Assistant Executive Engineer, AED in the Revenue Division. Executive Engineer, AED in the District. Superintending Engineer, AED in the Region. Chief Engineer, Agricultural Engineering Department, Nandanam, Chennai-35. Phone 2435 2686 , 2435 2622

<b>SCHEME NO.4</b>	
Name of Scheme	<b>Provision of Solar Driers to the farmers/farmers' groups for drying agricultural produce under NADP</b>
Funding Pattern	50% subsidy under NADP and 50% farmers' contribution
Project Area	All districts in Tamil Nadu except Chennai
Objectives	<ul style="list-style-type: none"> <li>• To ensure speedy drying of various agricultural produce at hygienic conditions by promotion of green energy viz., Solar energy in agriculture</li> <li>• To bring down the high post harvest waste percentage and to make the quality produce move to next value addition chain in processing, and also for labour saving.</li> </ul>
Details of Works	Provision of Solar driers ( Polycarbonate sheet covered parabolic shape green house type) to the farmers/farmers' groups- for drying agricultural produce like coconut, chillies, maize, spices, moringa leaves, banana, tomato etc.,
Benefits offered (Subsidy) and outcome	<ul style="list-style-type: none"> <li>• <u>50% subsidy assistance for provision of Solar Driers (50% from NADP)</u></li> <li>• <u>Promotion of value addition for the produce leading to profitable and sustainable agriculture.</u></li> <li>• <u>Improved shelf life of dried produce enables the farmer to store and fetch more income at a later date.</u></li> </ul>
Eligibility	All the farmers/farmers' groups who provide lands for construction of solar driers.
