**TNAU - PG Admissions Entrance Examinations (2024-25) for Masters and Doctoral degree Programmes stands cancelled**

The School of Post Graduate Studies at Tamil Nadu Agricultural University, Coimbatore, Tamil Nadu, India offers Masters programme in 33 disciplines and Doctoral programme in 28 disciplines at 11 constituent colleges. The PG Admission process for the year 2024-25 was initiated on 8-5-2024 and the entrance examination for the above programs was held on 23.06.2024. TNAU received applications from over 2800 students who are at different stages of completing their degrees from different State Agricultural Universities. At this juncture, it was understood that majority of the students applied are completing their UG degree by the end of September'2024 and technical difficulties were encountered in accommodating new applicants. Hence it is decided to abolish the current admission process. Fresh announcement for the Master's and Doctoral admissions will be made during September'2024. The application fee and processing fee collected from the candidates will be refunded to their respective bank accounts.
