The Editor,  
Sir,

Date: 27.05.2023

I request that the following message may kindly be published in your esteemed daily:

**Hon'ble Governor of Tamil Nadu interacts with TNAU students**

The Honourable Governor of Tamil Nadu, Thiru. R.N. Ravi interacted with the students of Tamil Nadu Agricultural University on 26.5.2023 at Anna auditorium. Dr.V.Geethalakshmi, Vice-Chancellor, TNAU welcomed the Hon'ble Governor. Governor interacted with the students on the following key aspects of student and society development as whole. Skill development for entrepreneurship, student exchange policies, involvement of students while framing Government policies as exist in abroad, Government's initiatives on ensuring nutritional security, plans for retaining agri-graduates in agriculture domain, education opportunities in India for developing country students, scaling of entrepreneurship among students, helping foreign students entering India for education, cultural enrichment in India, augmenting patents in India and its importance, renewable energy policies, Government's initiatives towards nutritional security, promotion of life science research, involvement of students in Government's programs, organic farming policies: outlets, earn while learn, marketing of agri-produces, promotion of millet consumption among the public, Government's plans on multi-disciplinary approaches (Artificial intelligence, machine learning, robotics etc.) to augment production, protected cultivation – agri-preneurship.

Governor interacted with the students for 50 minutes and suggested the students to focus on the skill development and enrich the knowledge to meet their goal. He also explained the Government's policies to enhance patent numbers in India. He explained the opportunity to the foreign students to study in India. He discussed a few points related to skill development to match with the employment domains.
