To  
The Editor,  
Sir,

Date: 10.01.2024

I request that the following message may kindly be published in your esteemed daily:

**TNAU Post Graduate Students offered with  
World Vegetable Center, Taiwan Fellowships**

Tamil Nadu Agricultural University's three doctoral scholars Mr.K.Aravinthraju (Agricultural Entomology), Mr. KesamreddyLokeshwar (Agronomy), Ms.S.Kousalya (Plant Pathology) and one Masters Student Mr.Mohammed Sharukh Pasha (Crop Physiology) has been selected for the 'WorldVeg Golden Jubilee Scholarship' awarded by World Vegetable Center, Taiwan. These scholarships are awarded in competitive mode, where both Masters and Doctoral students from all over the World compete. The scholars were scrutinized by their bio-data and the panel members interviewed the shortlisted candidates in person. The scholarship are granted for six months to Masters student and one year for Doctoral students and the candidates will do their research at World Vegetable Center, Taiwan in the current academic year 2024-25. During this tenure, the scholars will receive a monthly stipend of USD 500 along with travel grant and free accommodation at World Vegetable Center, Taiwan. This fellowship recognizes the past academic excellence, bio-data of the candidates and provides foreign collaborative research opportunities along with the financial support. In addition, the scholars will get good exposure to foreign research in their allotted fields. Dr.V.Geethalakshmi, Vice-Chancellor congratulated the students for their achievements in presence of Dr.M.K.Kalarani, Director, Crop Management, Dr.M.Shanthi, Director, Centre for Plant Protection Studies, Dr.N.Senthil, Dean, School of Post Graduate Studies, Dr.M.Murugan, Professor and Head (Agricultural Entomology), Dr.P.Parasuraman, Professor and Head (Agronomy), Dr.K.Angappan, Professor and Head (Plant Pathology) and Dr.A.Senthil, Professor and Head (Crop Physiology), Tamil Nadu Agricultural University, Coimbatore.
