To  
The Editor,  
Sir,

Date: 08.04.2024

I request that the following message may kindly be published in your esteemed daily:

### **TNAU inks MoU with Kyung Hee University, South Korea**

Tamil Nadu Agricultural University's Department of Food Process Engineering took an initiative in signing International Memorandum of Understanding (MOU) between Tamil Nadu Agricultural University and Kyung Hee University, South Korea on 05.04.2024, in the presence of Honourable Vice Chancellor, Dr.V.Geethalakshmi, Dr.R.ThamizhVendhan, Registrar, Dr.A.Raviraj, Dean (Agricultural Engineering College and Research Institute), Dr.N.Senthil, Dean (School of Post Graduate Studies) and Dr.M.Balakrishnan, Professor & Head, Department of Food Process Engineering. The international memorandum was made for opening up avenues in research linkages and faculty and student exchange especially in the field of Advanced Food Process Engineering and Food Packaging.
