### **TNAU Hosted ConCreate 1.0 Expo**

Agricultural Engineering College and Research Institute, Coimbatore hosted ConCreate 1.0 – A Miniature Display of Structures to celebrate the ingenuity behind construction and architecture. This grand showcase, was conducted on February 5, 2025, detailed miniature models that highlight the creativity and precision of future engineers.

The models included Beams, Slabs, Columns, RCC Structures, Silos and Retaining Walls. This ConCreate 1.0 expo encourages hands-on learning through model-making, showcases the art and science of construction and fosters innovation and collaboration among students.

Dr. A. Raviraj, Dean, AEC&RI, TNAU, Coimbatore, graced the occasion with his esteemed presence. He appreciated and interacted with the students about the model structures. Dr. Balaji Kannan, Dr. K. Arunadevi, Dr. R. Mahendiran, Dr. S.K. Rajkishore Dr. J. Ramachandran visited the exhibits and appreciated the meticulous efforts of the students in explaining the models.

The MasonAGE Club AEC&RI TNAU Coimbatore organized this ConCreate 1.0 event in a grand manner.
