The Editor,

Sir,

I request that the following message may kindly be published in your esteemed daily:

## TNAU celebrated World Hydrogen and Fuel Cell Day 2025

The Department of Renewable Energy Engineering, Agricultural Engineering College and Research Institute, Tamil Nadu Agricultural University, celebrated World Hydrogen and Fuel Cell Day 2025 on 8<sup>th</sup> October 2025 in support of ICAR at Renewable Energy Engineering Workshop. The event began with a warm welcome address by Dr. D. Ramesh, Professor and Head of the Department of Renewable Energy Engineering. Dr. A. Raviraj, Dean (Engineering), presided over the function and delivered an inspiring address highlighting the role of hydrogen in the future of sustainable energy transition. The event was organized by the final year B.Tech (Energy & Environmental Engineering) students, who presented short videos and technical presentations on hydrogen production, storage, and fuel cell applications. A key highlight of the program was the demonstration on the working of gasifier and hydrogen fuel cell, which provided the students with practical understanding of renewable energy technologies and their real-time functioning. The celebration concluded with a vote of thanks delivered by Dr. V. Palaniselvam, Professor, who appreciated the enthusiastic participation and efforts of students and faculty members.
