To
The Editor,
Sir,

Date: 20.03.2025

I request that the following message may kindly be published in your esteemed daily:

TNAU concludes turnkey workers training programme

The Ministry of New and Renewable Energy (MNRE) sponsored “Biogas Programme” is functioning at Biogas Development and Training Centre (BDTC), Department of Renewable Energy Engineering, Agricultural Engineering College and Research Institute (AEC&RI), Tamil Nadu Agricultural University, Coimbatore. The turnkey workers training programme on “Frontier technologies on biogas based transportation Fuel and Organic Manure” was inaugurated on 05.03.2025 at AEC&RI, Coimbatore. Field visits were arranged for the participants to acquire practical knowledge on biogas plant construction and maintenance aspects.

On closing note of the training, valedictory function was held on 19.03.2025 at Agricultural Engineering College & Research Institute, TNAU Coimbatore. During the valedictory function, Dr.V.Palaniselvam, Professor (Bioenergy), Department of the Renewable Energy Engineering welcomed the gathering. Dr. D.Ramesh, Professor and Head (Department of Renewable Energy Engineering) summarized the program and distributed the certificates to the trainees. Finally, Dr. P.Vijayakumary, Associate Professor (Bioenergy) proposed a formal vote of thanks.
