TNAU conducts Book Fair 2026

A “Book Fair 2026” was inaugurated at University Library, Tamil Nadu Agricultural University, Coimbatore, on 06.01.2026 with the objective of promoting reading habits, enhancing academic knowledge among students and collect recommendation of books for the University Library.

The Book Fair was presided over by Dr.P.Jeyakumar, Director (Planning and Monitoring) and the Registrar in charge who highlighted the importance of books and libraries in shaping intellectual growth. Dr.J.Ramalingam, Dean, Centre for Students Welfare briefed the gathering on the significance of organizing such exhibition to expose students to a wide range of academic, scientific and general publications.

A large collection of books on agriculture and allied subjects and competitive examinations related books are being exhibited for the student’s curriculum and personality development. Faculty members, students and book lovers participated enthusiastically in the inaugural function. The Book Fair will remain open for the students and faculty members on 06th and 07th January 2026 at the premises of University Library. Book sellers provide attractive percentage of discount in every purchase by the students and staff members.
