To
The Editor,
Sir,

Date: 22.02.2025

I request that the following message may kindly be published in your esteemed daily:

TNAU conducts Free camp on Diagnosis of Tuberculosis for TNAU labourers

A one-day free screening camp on Tuberculosis Diagnosis for agricultural labourers was conducted at TNAU on 21.02.2025 for large scale sensitization for early recuperation.

This programme was organized under Makkalai Thaedi Maruthuvam Scheme by the District Tuberculosis Centre in association with Government Primary Health Care Centre, P.N. Pudur.

Blood samples were collected to diagnosis symptoms, intensity of diseases and other facts that require appropriate advisory service. To assess the kidney function, creatinine, blood urea and other test were taken. As a part of the programme, screening of uterus and breast cancer was also done by Sri Ramakrishna Hospital (Multispeciality), Coimbatore along with the TNAU Medical team. Nearly hundred of labourers participated and got tested.

The programme was inaugurated by Dr. D. Suresh Kumar Dean, School of Post Graduate Studies and Dr. M. K. Kalarani, Director, Crop Management. The programme was organized by the TNAU Medical team and coordinated by staff of Centre for Students Welfare, TNAU, Coimbatore.
