To
The Editor,
Sir,

Date: 22.02.2025

I request that the following message may kindly be published in your esteemed daily:

TNAU conducts Organ Donation Awareness Programme

An awareness programme on organ donation was conducted at Tamil Nadu Agricultural University by the members of organ donation awareness team led by Mr. Rahman Basith, Organ Transplant coordinator of Sri Ramakrishna Multi- Speciality Hospitals, Coimbatore. As a part of this programme a drama on organ donation was enacted and the success story & organ donors and recipients were shared among the students. The procedures for registering organ donation and the organs to be harvested for transplantation were explained by Mr. Sujan.

The medical team led by Dr. D. Ramya, Medical Officer, TNAU, Coimbatore and her team associated the programme.

Dr. D. Suresh Kumar, Dean, School of Post Graduate Studies, and Director CARDS, TNAU, Coimbatore has felicitated the function. NSS Programme Coordinator & NSS Programme Officers were also participated in the programme.

This programme was organized by the Centre for Students Welfare for the NSS volunteers of TNAU. Around 500 students participated in the programme.
