The Editor,
Sir,

      I request that the following message may kindly be published in your esteemed daily:

TNAU offers training on R Programming

      Agricultural Engineering College and Research Institute, Tamil Nadu Agricultural University (TNAU), Coimbatore, organized a skill development training on R Programming for Beginner's Data Analyst on 01 and 02 Feb, 2025. The training aimed to equip participants with hands-on experience in R programming software. Dr. A. Raviraj, Dean (Engg.) emphasized the importance of R programming highlighting its relevance in Data analysis, data visualization and data manipulation. The training program was structured into different modules viz. Design of Experiments, Multivariate analysis and Data Visualization that helps participant to analyze their research data along with visualizations and report writing. This training enhance the data analysis skill of researcher for writing the research article in reputed journal. Dr. Patil Santosh Ganapati, Asst. Prof. (Statistics) delivered the lectures and guided the participants in hands on session and interpretation of data. Dr. BalajiKannan, Professor and Head, Department of Physical Sciences and Information Technology, AEC&RI, TNAU, Coimbatore played a key role in organizing and conducting the event, ensuring its smooth execution.
