TNAU Invites Applications for Masters' Degree Programmes for the academic year 2026–27

The School of Post Graduate Studies (SPGS), Tamil Nadu Agricultural University (TNAU), Coimbatore, has commenced the admission process for its Masters' Degree Programmes for the academic year 2026–27. TNAU is one of India's premier Agricultural Universities, offering quality postgraduate education with a strong emphasis on academic excellence, research, innovation, entrepreneurship, and technology-driven agricultural development. The School of Post Graduate Studies offers Masters' degree programmes in 34 disciplines spanning Agriculture, Horticulture, Agricultural Engineering, Forestry, Agricultural Biotechnology, Community Science, Food Technology, Agribusiness, Environmental Sciences, and other emerging areas of agricultural sciences.

The online admission process for the academic year 2026–27 commences on 5th August 2026. Eligible candidates can submit their applications through the University's dedicated admission portal: <https://admissionsatpgschool.tnau.ac.in/>

Candidates who have completed their undergraduate degree in Agriculture, Horticulture, Agricultural Engineering, Forestry, Sericulture, Community Science, and other eligible disciplines prescribed in the Information Brochure are invited to apply. Students who are currently studying in the final year/final semester of their undergraduate programme are also eligible to apply by uploading the mark sheets of all completed semesters issued by their respective competent authorities. Each applicant may apply up to two eligible subjects at a time. Selection of students for the Masters' degree programmes will be based on the mark secured in the Common Entrance Examination conducted by TNAU, Coimbatore. Admission shall be subject to fulfilment of the prescribed eligibility requirements and submission of all required documents at the time of admission.

Applicants are advised to carefully read the Information Brochure available on the admission portal before submitting their applications. The brochure contains detailed information regarding eligibility criteria, reservation policy, admission procedure, important dates, and document requirements.

The Masters' Degree Programmes admission information brochure was officially released by Dr. K. Subrahmaniyan, Acting Vice-Chancellor, TNAU, on 05.08.2026 in the presence of Dr. C. Babu, Dean, School of Post Graduate Studies (SPGS) and other Deans.

After that, Dr. K. Subrahmaniyan, Acting Vice-Chancellor of TNAU, has launched the online admission portal.

The last date for submission of online applications is 31st August 2026.
