To
The Editor,
Sir,

Date: 30.03.2026

I request that the following message may kindly be published in your esteemed daily:

QS Ranking 2026: TNAU TRIUMPHS

The QS World University Rankings is a portfolio of comparative college and university rankings compiled by Quacquarelli Symonds from United Kingdom, a higher education analytics firm. QS's rankings portfolio has been expanded to QS World University Rankings by Subject (Agriculture & Forestry) from 2011 onwards. In the QS World University Rankings 2026, a total of 6,273 institutions were analyzed, with 1,908 of them officially ranked across 55 different academic disciplines. Tamil Nadu Agricultural University (TNAU) has shown a progressive upward trend in the QS World University Rankings by Subject (Agriculture & Forestry) over the years by jumping from the band of 401-420 in 2023 to 201 -250 in 2026.

Under QS World University Rankings by Subject 2026 (Agriculture & Forestry) category, the Tamil Nadu Agricultural University (TNAU) has made remarkable achievement by securing a position in the 201-250 band globally in the Agriculture and Forestry category. This top-notch performance of TNAU is due to its commitment to teaching, research, outreach, agribusiness and ODL activities at regional, national and international levels. Due to the strenuous efforts of the scientists, 948 crop varieties / hybrids, 171 farm machineries / implements and more than 1,500 management technologies have been released to fulfill the needs of farming community and other stakeholders.

The Vice Chancellor appreciated the faculty members, staff and students for their commitment and stellar performance in the international ranking and motivated to reach top position in the coming years.
