

Uzhavar Peruvizha 2013

Weekly Report on the activities of Block Level Task Force Members / Scientists

Sl. No.	Date	Name of the Scientist / the BL/TF Member	Title of the Programme	Name of the Village covered	No. of participants in UPV	Subjects covered	Activities performed	Remarks
1.	14.04.13	Dr.R.Arunachalam Prof&Head and Dr.T.Saravanan SMS(Plant Pathology)	Uzhavar Peruvizha 2013 inaugural function	Mela Alingi Pattu	200	✓ Use of Bio - control agents for pest & disease management ✓ Disease management in Sugarcane & Pulses	a.) Delivered lecture on various uses of bio control agents & their benefits . b.) Methods of usage of bio control agents in various mode viz.,seed treatments, soil application and foliar application to the crops c.) Demo on the Use of Vermicompost to the crops and their production	Honourable Environment & Pollution Control Minister Thiru. M.C. Sambath, attended the Programme and gave special address. Besides, District Collector, Local panchayat President also participated and felicitated the programme
2.	14.04.13	Dr.S.Kannan SMS(Home Science)	Uzhavar Peruvizha 2013 inaugural function	1. Marungur 2.Su.Keeranur	200	✓ Post Harvest Techniques	Lecture on Value addition for Vegetable Crops Demo on rat control	Kammapuram Block Chairman, and Village President attended the meeting.

3.	14.04.13	Th. R. Rajeshkannan Farm Manager	Uzhavar Peruvizha 2013 Inaugural function	Palur	250	✓ SSI in Sugarcane	Protray setts sowing and set treatment	President, Vice-President, Village Panchayat President
4.	14.04.13	Dr.M.Raju SMS(Agronomy)	Uzhavar Peruvizha 2013 Inaugural function	Mangalur	200	✓ SSI in Sugarcane, SRI in Rice	Sett treatment in tapioca	Block Chairman, and Village President & farmers attended the meeting.
5.	14.04.13	Dr.V.Dhanuskodi SMS(Soil Science)	Uzhavar Peruvizha 2013 Inaugural function	Nallur	200	✓ SSI in Sugarcane,	Demo on Vermicomposting	Block Chairman, and Village President & farmers attended the meeting
6.	14.04.13	Tmt. G. Meenalakshmi Prog.Asst.(tech)	Uzhavar Peruvizha 2013 Inaugural function	Vannangudikadu	250	✓ Activities of KVK	Organic farming	Village President & Farmers attended the meeting.
7.	15.04.13	Dr.S. Kannan SMS(Home Science)	SSI technologies	Kavanaur	200	✓ SSI technologies	Success story involving successful farmers.	Panchayat President, Farmers Friend, ATMA members attended the meeting.
8.	15.04.13	Th. R. Rajeshkannan Farm Manager	SRI in Rice	Kezhkavarapattu	250	✓ SRI in Rice	Lecture cum Demo on Mat Nursery preparations.	President, Vice-President, Village Panchayat

								President attended the meeting.
9.	15.04.13	Tmt. G. Meenalakshmi Prog. Asst. (Tech)	Soil Sampling and Nutrient Management	Vettakudi	200	✓ Soil & Water analysis	Method demonstration on soil sampling and result based nutrient management	Village President and farmers attended the meeting.
10.	15.04.13	Dr. T. Saravanan SMS(Pl. Pathology)	Pest and disease management : Bio control agents and their usage	Thirumanikuli	100	✓ Pests and disease management in rice	Demo on methods of application of biological control agents	Panchayat President participated in the meeting.
11.	15.04.13	Dr.V.Dhanuskodi SMS(Soil Science)	Organic farming: Vermicomposting	Nagar, Veppur	200	✓ Precision farming,	Demo on Vermicomposting	Block Chairman, and Village President & farmers attended the meeting
12.	16.04.13	Tmt.G. Meenalakshmi Prog. Asst. (Tech)	SSI technologies	Karuveppilankurichi	100	✓ SSI technologies	Success story involving successful farmers	Panchayat President, Farmers, BTM, &ATMA members attended the meeting.

13.	16.04.13	Dr. T. Saravanan SMS(Pl. Pathology)	Pest and disease management : Bio control agents and their usage in Banana	Karaikadu Keel Sedapalayam	125 100	<ul style="list-style-type: none"> ✓ Use of biocontrol agents for pest and disease management ✓ Different methods of application of biological control agents 	<p>Demo on different methods of application of biocontrol agents.</p> <p>Discussion on integrated disease management in Banana.</p>	Panchayat President and Deputy Director cum PA (Agri) to Collector participated in the meeting.
14.	16.04.13	Dr.S. Kannan SMS(Home Science)	Value addition technologies in fruits and vegetables	U. Adanur	150	<ul style="list-style-type: none"> ✓ Post Harvest Technology 	Success story involving value addition society members.	President, Vice-President, Village Panchayat attended the meeting.
15.	16.04.13	Th. R. Rajeshkannan Farm Manager	Introduction to KVK Sustainable Pulse Initiatives	Poondi,Karumbur	250	<ul style="list-style-type: none"> ✓ Activities of KVK,,SPI 	Lecture cum Demo on latest pulse varieties	President, Vice-President, Village Panchayat President attended the meeting.
16.	16.10.13	Dr. R.Arunachalam Prof&Head	SSI technologies	Adari	200	<ul style="list-style-type: none"> ✓ SSI cultivation 	Lecture cum discussion on different techniques in SSI cultivation	ADA and local farmers attended the meeting
17.	17.04.13	Dr.S. Kannan SMS(Home Science)	SSI techniques	1. Gopalapuram 2. Kammapuram	200	<ul style="list-style-type: none"> ✓ Techniques in SSI 	Demostration cum discussion	Panchayat President, Village Panchayat and Farmers attended the meeting

18.	17.04.13	Th.P.Samundeeswaran	ICT and its usage for farmers	Sathiyam	150	✓ Computer usage for farmers	Demostration	President, Vice-President, Village Panchayat attended the meeting.
19.	17.04.13	Dr. T. Saravanan SMS(Pl. Pathology)	Pest management in Banana	1. Karanapattu 2. Ullaripattu	75 100	✓ Activities of KVK ✓ Pests and diseases management in banana ✓ Use of biocontrol agents for disease managements.	Sucker treatment in banana Methods of application of biocontrol agents.	Panchayat President Mr.Pakri attended the meeting
20.	17.8.13	Th. R. Rajeshkannan Farm Manager	Hi Tech Banan Production Technologies	Keelarungunam	100	✓ Sucker treatment ✓ Tips for Hi Tech banan cultivation	Method demonstration and lecture	Local extension functionaries, panchayat president and farmers attended the meeting
21.	17.04.13	Tmt. G. Meenalakshmi Prog. Asst. (Tech)	Soil sampling and nutrient management	Allichikudi	200	✓ Soil & Water analysis	Method demonstration on soil sampling and result based nutrient management	Village President attended the meeting.
22.	18.04.13	Dr. R.Arunachalam Prof&Head Th. R. Rajeshkannan Farm Manager	Soil sampling and nutrient management	Kanisapakkam	250	✓ Soil & Water analysis	Demonstration on soil sampling procedure.	President, Vice-President, Village Panchayat President attended the meeting.

23.	18.04.13	Tmt.G. Meenalakshmi Prog. Asst. (Tech)	Introduction to KVK and SRI in Rice	Boothampur	100	✓ SRI & KVK activities	Success story involving successful farmers	Panchayat President, Farmers, BTM, &ATMA members attended the meeting.
24.	18.04.13	Dr.Petchiappan Bharathi SMS(Agronomy)	Latest Agronomical technologies for paddy, sesame and sugarcane	North Mangudi, South Mangudi	100 100	Paddy: SRI techniques sugarcane: SSI techniques Sesame: Fertilizer management, herbicide application, thinning,	Demonstration: making enriched FYM	Farmers feed back: 1.SRI techniques economically input saving and labour saving 2.SSI techniques economically input saving and labour saving 3. Sesame Input saving by using optimum seed rate and Recommended Dose of Fertilizers, using straight fertilizer, using herbicide
25.	18.4.13	Dr. T. Saravanan SMS (Pl. Pathology)	Introduction to KVK and disease management in vegetables	1. G. N. Palayam 2. Nadiveerapattu	100 80	✓ Activities of KVK ✓ Disease management in vegetables	Lecture cum demonstration	President of Village Panchayat attended the meeting.
26.	18.04.13	Dr.S. Kannan SMS(Home Science)	Value addition in Millets	Thorappu,Salangur	200	✓ Value addition success story	Lecture and success story involving successful farmers from cuddalore district	Panchayat President, Village Panchayat and Farmers attended the meeting

27.	18.4.13	Th.R. Samundeeswaran Prog. Asst (Comp)	ICT initiatives in Agriculture	Sevur	200	✓ Use of TNAU Agri portal ✓ Other important ICT initiatives	Demonstration cum discussion	Local ADA, local extension functionaries and farmers attended the meeting
28.	19.4.13	Dr. T. Saravanan SMS (Pl. Pathology)	Disease management in vegetables	1. Alagianatham 2. Vellapakkam	100 75	✓ Disease management in vegetables	✓ Integrated disease management in vegetables	President, Vice-President of Village Panchayat attended the meeting.
29.	19.04.13	Th. R. Rajeshkannan Farm Manager	Introduction to KVK and SRI techniques	Kandrakottai	200	✓ Activities of KVK, ✓ SRI cultivation	Lecture cum Demo on Mat Nursery preparations.	President, Vice-President, Village Panchayat President attended the meeting.
30.	19.04.13	Dr.S. Kannan SMS(Home Science)	Value addition in Amla	Kammapuram	200	✓ Preparation of Amla candy, Different kinds of pickle preparation	Demonstration - pickle preparation	Panchayat President, Village Panchayat and Farmers attended the meeting
31.	19.04.13	Dr.S. Kannan SMS(Home Science)	Value addition in millets	K.thozhur,	200	✓ Preparing different value added products in samai and varagu	Demonstration and discussion	Panchayat President, Village Panchayat and Farmers attended the meeting
32.	19.4.13	Dr.M.Chandrasekaran Asst Prof (Ento) RRS, Vridhachaalam	Integradted pest management in Pulses	Melbhuvanagiri - Kurinjikollai and Nellikollai	258 250	✓ Integrated pest management in Pulses – Seed treatment	Lecture cum demo	President, Vice Chairman and ADA Melbhuvanagiri and local Cane officer the meet

								in Kurinchikollai Village President Deputy director District Cooprative society Erumanur and Cane Officer MRK Sugar Mill attended the meet
33.	20.4.13	Dr. T. Saravanan SMS (Pl. Pathology)	Mushroom production and use of bio control agents	Kilingikuppam Karupadithundu	100 85	✓ SRI ✓ Disease management	Demo on mushroom production Demo on use of biocontrol agents as seed treatment	Panchayat President, Village Panchayat and Farmers attended the meeting
34.	20.4.13	Th. Rajeshkannan Farm manager	Introduction to KVK and SPI techniques	Kayapakkam	150	✓ Activities of KVK,,SPI – Important tips	Lecture	Panchayat President, Village Panchayat and Farmers attended the meeting
35.	20.4.13	Dr. S. Kannan SMS (Home Science)	Value addition and its importance SSI techniques	Kattumannarkoil - Omampuliyur, Gunavasal	150 75	✓ Preparing different value added products in samai and varagu ✓ Value addition success story ✓ SSI techniques	Lecture, discussion and demo	Panchayat President, Village Panchayat DD – Quality control, local ADA and farmers attended the meeting
36.	20.4.13	Tmt. Meenalakshmi Prog. Asst (Tech)	Introduction to KVK and SPI techniques	D.Mavidathangal	150	✓ Activities of KVK,SPI	Lecture and discussion	Panchayat President, Village Panchayat and Farmers attended

								the meeting
37.	20.4,13	Dr.R.Arunachalam Prof and Head and Th.R. Samundeeswaran	ICT initiatives in agriculture	Katchimaiyalur	200	<ul style="list-style-type: none"> ✓ ICT and its uses for farmers ✓ TNAU agri portals 	Lecture, discussion and demo	Panchayat President, Village Panchayat and Farmers attended the meeting
38.	20.4.13	Dr.S.Kannan SMS (Home Science)	Importance of soil and water testing	Kammapuram - Vilakampadi	150	<ul style="list-style-type: none"> ✓ Soil sampling and nutrient management ✓ Water testing ✓ Rat control in crop fields 	Lecture and discussion	Panchayat President, Village Panchayat, local ADA and farmers attended the meeting

Uzhavar Peruvizha 2013

ACTION PHOTOGRAPHS

District : Cuddalore
Co-Ordinating Centre : KVK, Vridhachalam
Reporting period : 14.04.13 to 20.04.13

Date : 14.04.2013

Place : Melalingipattu

Scientist : Dr.R.Arunachalam.,Professor and head

Activity : Uzhavar Peruvizha - Inaugural Function with Honourable Minister M.C. Sampath

Date : 14.04.2013

Place : Melalingipattu

Scientist: Dr.R.Arunachalam.,P&H **Activity:** Minister visiting the exhibition stall.

Date : 16.04.2013

Place : Karaikadu

Scientist: Dr.T.Saravanan. **Activity:** Seed Treatment lecture cum demo

Date : 17.04.2013

Place : U.Adanur

Scientist: Dr.S.Kannan,

Activity: Pro tray nursery-
demo

Date : 15.04.2013

Place : Thirumanikuzhi

Scientist: Dr.T.Saravanan.,

Activity: Pests and
disease management in rice-
Lecture cum discussion

Date: 16.04.2013

Place: Karumbur

Scientist: Th.R.Rajesh Kannan **Activity:** Demo on latest
pulse varieties

Date: 17.04.2013

Place:Karuvepilkuruchi

Scientist: Tmt. G. Meenalakshmi **Activity:**Soil sample
Analysis – lecture
cum demo

Date : 18.04.2013

Place : Marungur

Scientist: Dr.S.Kannan,

Activity: Post Harvest Techniques - Lecture

Date : 19.04.2013

Place : Su Keeranur

Scientist: Dr.S.Kannan,

Activity: SSI technologies-Lecture cum demo

Date : 20.04.2013

Place : Kilingikuppam

Scientist: Dr.T.Saravannan,

Activity: Pest Management-lecture cum discussion

Date : 20.04.2013

Place : Kammapuram

Scientist: Dr.S.Kannan,

Activity: SSI technologies-Lecture cum discussion

Date : 19.04.2013 **Place** : Boothambur
Scientist: Tmt.G.Meenalakshmi **Activity:** SRI and KVK Activities – Lecture cum discussion

Date : 19.04.2013 **Place** : Kandarakottai
Scientist: Th.R.Rajeskannan **Activity:** SSI technologies - Discussion

Date : 20.04.2013 **Place** : Dharmanallur
Scientist: Dr.S.Kannan, **Activity:** Lecture cum demo on Value Added technologies

Uzhavar Peruvizha 2013

Weekly Report on the activities of Block Level Task Force Members / Scientists

Sl. No.	Date	Name of the Scientist / the BLTF Member	Title of the Programme	Name of the Village covered and Block	No. of participants in UPV	Subjects covered	Activities performed	Remarks
1.	22.04.13	Dr.R. Arunachalam Prof & Head Th. R. Rajeshkannan Farm Manager	SSI in sugarcane	Keezhakuppam (Annagramam)	100	SSI in sugarcane	Lecture cum discussion on different techniques in SSI cultivation	President, Vice-President, ATMA members and local farmers
2.	22.04.13	Dr.R. Arunachalam Prof & Head Th.R. Rajeshkannan Farm Manager	SRI in rice	Pallavarayanatham (Annagramam)	100	SRI in rice	Method demonstration and lecture	President, Vice-President, ATMA members and local farmers
3.	22.04.13	Dr.S.Kannan SMS(Home Science)	Post Harvest Techniques	Mummudicholazhan (Kattumannarkoil)	250	✓ Post Harvest Techniques	Lecture on Value addition for millets Demo on rat control	President, Vice-President, ATMA members and local farmers
4.	22.04.13	Dr.S.Kannan SMS(Home Science)	Post Harvest Techniques	Siruvarappur (Kammapuram)	120	✓ Post Harvest technology	Lecture on Value addition	President, Vice-President, ATMA members and local farmers
5.	22.04.13	Dr.M.Malarkodi SMS (SS&AC)	Activities of KVK and Soil Fertility Management	M. Agaram village (Vridhachalam)	150	<ul style="list-style-type: none"> ✓ ✓ Introduction to KVK, Vridhachalam ✓ Soil sampling techniques ✓ Soil health mangement ✓ INM in Rice, ground nut, 	Lecture cum Demo on Soil sampling method	M. Agaram Block Chairman, and Village President attended the meeting.

						gingelly, sugarcane		
6.	22.04.13	Dr.T.Saravanan SMS (Pl. Pathology)	Pest and disease management : Bio control agents and their usage	Villakapattu (Cuddalore)	150	✓ Pests and disease management in rice	Demo on methods of application of biological control agents	Panchayat President participated in the meeting.
7.	22.04.13	Dr.T.Saravanan SMS (Pl. Pathology)	Introduction to KVK and disease management in vegetables	Ramapuram (Cuddalore)	134	✓ Activites of KVK ✓ Disease management in vegetables	Lecture cum demonstration	President, Vice-President, ATMA members and local farmers
8.	22.04.13	Dr. C. Harisudan Asst Prof (Agronomy), RRS, Vridhachalam	SRI techniques demonstration	Kavarapattu (Parangipatti Block)	293	✓ Rice Production technology	SRI technology demonstration	President, Counciler, ADA and official of fisheries, Agri. marketing , Agri engineering, horticulture
9.	23.04.13	Dr.T.Saravanan SMS (Pl. Pathology)	Pest and disease management : Bio control agents and their usage in Banana	Kaliayur (Cuddalore)	175	✓ Use of biocontrol agents for pest and disease management ✓ Different methods of application of biological control agents	Demo on different methods of application of biocontrol agents. Discussion on integrated disease management in Banana.	President, Vice-President, ATMA members and local farmers
10.	23.04.13	Dr.T.Saravanan SMS (Pl. Pathology)	Activities of KVK and Pest and Disease management	Maruthadu (Cuddalore)	145	✓ Pests and Disease management in banana and Rice	Demo on methods of application of biocontrol agents	President, Vice-President, ATMA members and local farmers

11.	23.04.13	Th.R. Rajeshkannan Farm Manager	Hi Tech Banana production	Oraiyr (Annagramam)	105	✓ Precision farming	Protray seed sowing	President, Vice-President, ATMA members and local farmers
12.	23.04.13	Dr.M.Malarkodi SMS (SS&AC)	Activities of KVK and Soil Fertility Management	Venganoor (Mangaloor)	128	✓ Soil sampling techniques ✓ Soil health mangement ✓	Demo on Soil sampling method	President, Vice-President, ATMA members and local farmers
13.	23.04.13	Dr.M.Malarkodi SMS (SS&AC)	Soil Fertility Management	Ariyanatham villages(Mangaloor)	155	✓ INM in Rice, Maize and Sugarcane	Lecture cum Demo on INM and soil sampling methods	President, Vice-President, ATMA members and local farmers
14.	23.04.13	Dr.S.Kannan SMS(Home Science)	Post Harvest Techniques	Arasakuzhi (Kammapuram)	125	✓ Post Harvest Technology	Success story involving value addition society members.	President, Vice-President, ATMA members and local farmers
15.	23.04.13	Dr.S.Kannan SMS(Home Science)	Value addition technologies in fruits and vegetables	Uthamangalam (Kammapuram)	100	✓ Post Harvest Technology	Success story involving value addition society members.	President, Vice-President, ATMA members and local farmers
16.	25.04.13	Dr.T.Saravanan SMS (Pl. Pathology)	Pest and disease management : Bio control agents and their usage in Banana	Melakupam (cuddalore)		✓ Use of biocontrol agents for pest and disease management ✓ Different methods of application of biological control agents	Demo on different methods of application of biocontrol agents. Discussion on integrated disease management in Banana.	President, Vice-President, ATMA members and local farmers, BTM, SMS and Farmers friends

17.	25.04.13	Th. R. Rajeshkannan Farm Manager	SSI in sugarcane	Melpattampakkam (Annagramam)	125	Activities of KVK ✓ SSI in sugarcane	Sett Treatment	President, Vice-President, ATMA members and local farmers, BTM, SMS and Farmers friends
18.	25.04.13	Dr.M.Malarkodi SMS (SS&AC)	Activities of KVK Soil Fertility Management	Ko-poovanur (vridhachalam)	117	✓ Soil sampling techniques ✓ Soil health mangement	Demo on Soil sampling method	President, Vice-President, ATMA members and local farmers, BTM, SMS and Farmers friends
19.	25.04.13	Dr.S.Kannan SMS(Home Science)	Value addition technologies in fruits and vegetables	Vadaku vellore (Kammapuram)	100	✓ Post Harvest technology	Success story involving value addition society members.	President, Vice-President, ATMA members and local farmers, BTM, SMS and Farmers friends
20.	25.04.13	Dr.S.Kannan SMS(Home Science)	Value addition technologies in fruits and vegetables	Kommapadikuppam (Kammapuram)	100	✓ Post Harvest technology	Success story involving value addition society members.	President, Vice-President, ATMA members and local farmers, BTM, SMS and Farmers friends
21.	26.04.13	Th.R.R ajeshkannan Farm Manager	SSI in sugarcane	Ulunthampattu (Annagramam)	115	Activities of KVK and SSI in sugarcane	Sett Treatment - Demo	President, Vice-President, ATMA members and local farmers, BTM, SMS and Farmers friends
22.	26.04.13	Dr.M.Malarkodi SMS (SS&AC)	Activities of KVK Soil Fertility Management	Vijayamanagaram (Vridhachalam)	80	✓ Soil sampling techniques ✓ Soil health mangement	Demo on Soil sampling method	President, Vice-President, ATMA members and local farmers,

								BTM, SMS and Farmers friends
23.	27.04.13	Th.R. Rajeshkannan Farm Manager	Hi Tech Banana production	Sanneeyasipettai (Annagramam)	100	Banana production Techniques	Sucker Treatment	President, Vice-President, ATMA members and local farmers, BTM, SMS and Farmers friends
24.	27.04.13	Dr.S.Kannan SMS(Home Science)	Post Harvest Techniques	Kudumanoor (Kammapuram)	100	✓ Post Harvest technology	Success story involving value addition society members.	President, Vice-President, ATMA members and local farmers, BTM, SMS and Farmers friends
25.	27.04.13	Dr.S.Kannan SMS(Home Science)	Post Harvest Techniques	V. Kumaramangalam (Kammapuram)	100	✓ Post Harvest Technology	Success story involving value addition society members.	President, Vice-President, ATMA members and local farmers, BTM, SMS and Farmers friends

PREVIOUS WEEK REPORT - ANNEXURE (14.4.13 to 20.4.13) (LATE SUBMISSION BY THE SCIENTIST)

Sl. No.	Date	Name of the Scientist / the BLTF Member	Title of the Programme	Name of the Village covered and Block	No. of participants in UPV	Subjects covered	Activities performed	Remarks
1.	14.4.2013	Dr.M.S.ANEESA RANI, Professor (Horticulture), RRS	Cultivation packages of watermelon, moringa, drip fertigation	Vadaharirajapuram (Keerapalayam)	100	Cultivation packages of watermelon, moringa, drip fertigation	Lecture cum demo	Village president and local farmers and local ADA attended the programme
2.	14.4.2013	Dr.M.S.ANEESA RANI, Professor (Horticulture)<RRS	Cultivation packages of watermelon, banana ,drip fertigation, nutrition garden	K.Sathamangalam (Keerapalayam)	60	Cultivation packages of watermelon, banana ,drip fertigation, nutrition garden	Lecture cum demo	Village president and local farmers and local ADA attended the programme
3.	14.4.2013	Dr.M.S.ANEESA RANI, Professor (Horticulture),RRS	Cultivation packages of watermelon, banana ,drip fertigation, nutrition garden	Malavarayanallur (Keerapalayam)	132	Cultivation packages of watermelon, banana ,drip fertigation, nutrition garden	Lecture cum demo	Village president and local farmers and local ADA attended the programme
4.	15.4.2013	Dr.M.S.ANEESA RANI, Professor (Horticulture),RRS	Vegetable cultivation packages	Muhaiyur (Keerapalayam)	120	Vegetable cultivation packages	Lecture cum demo	Village president and local farmers and local ADA attended the programme
5.	17.4.2013	Dr.M.S.ANEESA RANI, Professor (Horticulture),RRS	Vegetable seed treatment, drip fertigation, banana cultivation	Odakkanallur (Keerapalayam)	150	Vegetable seed treatment, drip fertigation, banana	Lecture cum demo	Village president and local farmers and local ADA attended

			packages			cultivation packages		the programme
6.	17.4.2013	Dr.M.S.ANEESA RANI, Professor (Horticulture),RRS	Vegetable seed treatment, drip fertigation	Manalur (Keerapalayam)	55	Vegetable seed treatment, drip fertigation	Lecture cum demo	Village president and local farmers and local ADA attended the programme
7.	18.4.2013	Dr.M.S.ANEESA RANI, Professor (Horticulture),RRS	Seed /sucker treatment of banana, processing of fruits and vegetables	Vazhakollai (Keerapalayam)	100	Seed /sucker treatment of banana, processing of fruits and vegetables	Lecture cum demo	Village president and local farmers and local ADA attended the programme
8.	18.4.2013	Dr.M.S.ANEESA RANI, Professor (Horticulture),RRS	Seed /sucker treatment of banana, processing of fruits and vegetables	Perur (Keerapalayam)	120	Seed /sucker treatment of banana, processing of fruits and vegetables	Lecture cum demo	Village president and local farmers and local ADA attended the programme
9.	20.4.2013	Dr.M.S.ANEESA RANI, Professor (Horticulture),RRS	Water melon cultivation, coconut improved packages, cashew - cultivation packages and marketing of nuts	Orathur (Keerapalayam)	62	Water melon cultivation, coconut improved packages, cashew - cultivation packages and marketing of nuts	Lecture cum demo	Village president and local farmers and local ADA attended the programme
10.	20.4.2013	Dr.M.S.ANEESA RANI, Professor (Horticulture),RRS	Water melon cultivation, coconut improved packages, cashew	Koolapadi (Keerapalayam)	75	Water melon cultivation, coconut improved	Lecture cum demo	Village president and local farmers and local ADA attended

			cultivation packages			packages, cashew cultivation packages		the programme
